PLEASE READ: Steps Required To Complete Your Application & Fee Updates
 Complete all information on this application in Sections 1-5. Don't forget to obtain the necessary jurisdictional signature in Section 3. Bring a Signed Copy of your Allocation Application to the SGWASA Customer Welcome Center located at 415 Central Ave., Suite B between the hours of 9am-4pm weekdays. You will be required to pay your Allocation Review Fee (See Section 2) when you submit your application. Once you submit your Allocation application, a representative from SGWASA will review your application and follow up with you regarding the application and its status.
5. The Allocation application review may take 10 business days or more to process depending on utility availability, etc.
6. Allocation review fees and all pertinent fees associated with providing water and sewer service are subject to change.

7. All fees will be reviewed at the time of payment to ensure the fees are accurate and up to date. If fees have changed since the allocation application was received, SGWASA will recalculate any fees as approved by the Board of Directors.
